

Dear _____

I am a voter/constituent in your district and I am asking for your support of Bill A277/S4918, which enacts the "Crohn's and Colitis Fairness Act" providing Restroom Access. This bill would allow people with medical conditions that require urgent restroom use--such as the inflammatory bowel diseases (IBD) Crohn's disease and ulcerative colitis--to use an employee's-only restroom when a public one is not available and it is safe for the business to do so.

In NY State there are more than 100,000 people with these debilitating diseases. I am sure you can imagine how it must feel to be denied access to a bathroom when you so desperately need one. This Bill is important to me because...(I have IBD or am related to or friends with - whatever personal connection you wish to share).

Please support this bill and vote for it when it comes before you. If you need more information please feel free to visit the website <http://www.ccfa.org/>

Thank you,
